ROVANIEMI, FINLAND

ENSURE YOUR PLACE IN THE EVENT WITH OUR  
EARLY BIRD -OFFER UNTIL MARCH 20, 2019

**Join our cultural platform for discussions and get a chance to network with culture professionals from all over the Arctic**

Summit aims to explore major challenges, risks and opportunities for the Arctic region by turning attention from the Arctic natural resources to the richness and importance of Arctic culture.

The 3-day programme will lead you through the agenda of actual cultural policy issues with engaging debates, round table discussions and thought provoking workshops not forgetting time for social interactions and discussing future projects and initiatives, all in a warm atmosphere with Lappish charm and hospitality .

FINLAND  
3–5 JUNE 2019

## **Constructive change through the better circumpolar collaboration**

Welcome to look with us at the Arctic as the laboratory for sustainable art and cultural policy to promote knowledge and expertise for sustainable and responsible models of action, long term planning, infrastructure in the creative field and cooperation in education.

The indigenous art and cultural policy as well as interdisciplinary research on the impact of the art and culture are essential themes of the summit.

Summit is open to all professionals from arts and cultural sector and creative industries, academics, cultural policy makers and stakeholders, artists and practitioners, project managers and consultants.

A high quality artistic programme of the Summit carries out circumpolar cooperation itself and contains of topical reflections on discussions.
